## SESSION 1 - 'put together on faith'

### ① Read Luke 17 verses 5 to 10

#### ② to start

- what is Luke 17:1-4 about?
- are they linked to our passage (v.5-10)?
- has Jesus used a similar comparison for faith elsewhere?
- whatever the reason for the disciples to make their request Jesus again takes the opportunity to repeat his teaching about the same aspect of faith [= not easy for disciples to grasp and important to Jesus]

#### ③ FAITH

- in Lk.17:5-10 what are the 2 different aspects of faith Luke actually conveys?

##### 1. verse 5?

- what do we learn re faith in Hebrews 11:1-6?
- it took faith from the disciples to make their request known to Jesus (Lk.17:5)
- does verse 6 seem to be a rebuke?
- what do you make of the following comment; 'common experiences but not commendable; still forgivable' ? [Jesus still calmed the storm]
- are some are commended for their "great faith"? see Mt.8:5-13 & 15:21-28
- how is Heb.11:6-19 a summary of Abraham's journey of faith, the possibility & importance of trusting, having & growing in confidence in God?

#### ③ (faith continued)

- faith is not static, but a journey in learning to know God & his attributes, to know Him – the better we know the better the faith / trust

#### 2. what is the 2<sup>nd</sup> aspect of faith in Lke 17:6-10?

- Jesus' reply has 2 sections; v.6 = teaching and v.7-10 = illustration
- what is the teaching of v.6?
- so what is this faith about? see Lk.17:6 with Mt.17:20; Mk.11:23) 'if you have faith'
- how to know if? See Mk 11:23 ?
- 'he did what he was told to do', Lk.17:9?
- 'you can say'?
- faith listed **in the gifts of the Holy Spirit**; 1 Cor.12:7-11 (v.9), 1 Cor.13:2
- what is the point of v.7 to 10 in Luke 17?

#### ④ to sum up: counting on the help of the Holy Spirit to ...

- realise the importance of having faith in God - believing and growing in our confidence in Him
- be honest and admit any failure in fully trusting Him
- understand the different aspect & potential of faith as a mustard seed
- cooperate with the Holy Spirit in speaking out whenever gifted with such faith
